

# Coding Club - School Years 7 - 9 (Comprehensive)

**Coding Club - School Years 7 - 9 - Students will be learning how to create and edit a website using CSS and then move onto a programming language.**

Classes will be every Thursday and will run for 8 weeks commencing on Thursday 30<sup>th</sup> September until Thursday 18<sup>th</sup> November (not including midterm).

Each class will run from 4pm until 6pm at our premises at Suite 745 Europort.  
The price for the 8 sessions is £120. Financial support is available with further details upon request.

Course instructor is Roxanne Martos who is a fully qualified Computer Science teacher currently teaching at Bayside School.

Class Size is limited to 10 to ensure our instructor can give the close support required.
